The Riverside Arts Centre is owned by Spelthorne Borough Council and is leased to The Riverside Arts Centre Ltd.

The lease allows for up to three Director's vehicles to be parked in the yard adjacent to the Centre. **No** other vehicle should be parked in the yard. The lease also requires that a clear space is left in the yard at all times so that vehicles bringing people or delivering goods to the Riverside Arts Centre can turn round and drive into Thames Street. and not need to reverse into Thames Street.

Consequently, and, in accord with the lease, the Riverside Arts Centre cannot sanction Groups or individuals to use the yard as a parking space. If, nevertheless, you chose to park in the yard you should park in an orderly way in the marked spaces only. Parking elsewhere and particularly near the gate blocking access to the yard for legitimate subsequent uses is discouraged.

Parking for the disabled may be available at the discretion of the Trustees. A set down space adjacent to the side entrance door can be arranged.
